

Olympic Gymnasium Services

Olympic introduces new outdoor trampoline range

Olympic Gymnasium Services have introduced a brand new range of outdoor garden trampolines in time for the summer.

Constructed to high standards using the best materials, they offer quality, performance, durability & safety at an affordable price – all the attributes our customers require when purchasing from us.

In addition, each trampoline is supplied with a free DVD, free trampoline lessons, plus free delivery on most models.

The range includes circular trampolines in 5 different sizes, the BounceArena package, plus a variety of accessories.

Trampolines

Available in 5 sizes (6, 8, 10, 12 & 14 feet diameter) to suit the whole family, from youngsters through to adults.

They feature sturdy galvanized tubular steel frames, zinc coated steel springs, thick foam pads with pvc coated nylon covers and UV stabilized polyethylene beds.

Each trampoline is supplied with a free DVD, featuring trampolining moves, an assembly guide, plus tips on siting and maintaining the trampoline.

Also included are vouchers for 2 free trampolining lessons, redeemable at participating clubs. Free delivery is also available on the 10, 12 & 14 foot models.

BounceArena

The complete package:

Choose from 4 sizes of trampoline (8, 10, 12 & 14 feet diameter).

The BounceArena also includes a complete safety enclosure, including a mesh net with zip access & padded steel poles, and a tie down kit to provide extra stability.

The 12 & 14 foot models also include an access ladder.

Each BounceArena comes with a free DVD & free trampoline lessons (as detailed above), plus free delivery on all models.

Accessories

A wide variety of trampoline accessories are available, including:

Safety enclosures, weather covers, undernets, ladders & tie down kits
